New Zealand Growth Fund

April 2010

<p>Abano Healthcare</p>		<p>Abano is the largest private specialist medical and healthcare organisation in NZ with services in audiology, dental, diagnostics and rehabilitation through over 200 facilities.</p>
<p>Delegats</p>		<p>Delegats Group is a leading producer of Super Premium branded NZ wines for domestic and international markets. Established in 1947, Delegat's Group Limited is the proud producer and marketer of the internationally-acclaimed Delegat's and Oyster Bay wines. Delegat's Wine Estate has outperformed New Zealand wine industry export growth over the last four years with a compound annual growth rate of 50%. Annual Global sales are now in excess of one million cases. Currently Delegat's exports account for 11% of total NZ wine exports.</p>
<p>Fisher & Paykel Healthcare</p>		<p>Fisher and Paykel Healthcare is a leading designer, manufacturer and marketer of a range of innovative healthcare devices which incorporate unique features to improve patient care. Their products are sold in more than 120 countries worldwide.</p>
<p>Freightways</p>		<p>Freightways is a leading provider of express package services throughout New Zealand, with complementary business servicing the information management and business mail sectors. Since commencing operations in Auckland, Freightways has grown organically and by acquisition to become a leading New Zealand service provider, with representation in every major town and city throughout the country.</p>
<p>Infratil</p>		<p>Infratil is an owner and operator of businesses in the energy (mainly renewable), airport and public transport sectors. Infratil, like Fisher Funds, is a long term investor, and operates its businesses with a dual focus on exceeding user expectations and needs and delivering benefits to those communities it operates in.</p>
<p>Mainfreight</p>		<p>Mainfreight Limited is a global Supply Chain Logistics Provider, specialising in the handling of freight that is Less Than Container Load (LCL), with businesses operating in 165 branches throughout New Zealand, Australia, Asia, and the United States. It provides customers with world class service across a full range of Logistics services that include Managed Warehousing, Domestic Distribution, Metro and Wharf Cartage and International Air and Sea freight operations all linked by sophisticated technology.</p>
<p>Metlifecare</p>		<p>Metlifecare is New Zealand's leading operator of lifestyle retirement villages. Metlifecare currently owns and operates 16 retirement villages throughout New Zealand, incorporating 10 care facilities and 8 hospitals, providing a continuum of care for more than 3,300 residents.</p>

<p>Michael Hill International</p>		<p>Michael Hill International operates Michael Hill Jeweller – a retail jewellery chain catering principally for the middle section of the jewellery market. The chain has a retail presence in New Zealand, Australia and Canada.</p>
<p>NZ Exchange</p>		<p>NZ Exchange provides the infrastructure for NZ's capital markets offering a comprehensive package of trading platforms (equity and debt) and information services to market participants. It is the biggest and most established stock exchange in NZ.</p>
<p>Opus International</p>		<p>Opus provides specialist advice and project management across a wide range of service sectors. The main areas of work include highway asset development and maintenance, architecture, structural design, infrastructure development, and asset management, water management and environmental planning. Opus has a global presence with offices in NZ, Australia, Canada and the U.K.</p>
<p>Pumpkin Patch</p>		<p>Pumpkin Patch is Australasia's leading children's fashion company, and is increasingly recognised as an international brand representing innovative design and quality product. The collections are currently available in numerous countries and regions including New Zealand, Australia, United Kingdom, USA, South Africa and Middle East.</p>
<p>Ryman Healthcare</p>		<p>Ryman Healthcare is New Zealand's leading provider of Retirement Living options for New Zealanders over the age of 65. Their villages provide a range of options, including Independent Townhouses, Serviced Apartments and a Care Centre providing Resthome and Hospital level care. Ryman has expanded to a nationwide operation with 17 operational Retirement Villages from Auckland to Invercargill, providing homes for over 2,600 residents and employing over 1,500 staff.</p>
<p>Tower</p>		<p>Tower is a diversified financial services company with an iconic brand and core business units encompassing general insurance, health and life insurance and funds management. It separated from its Australian operations in 2006 and operates solely in New Zealand and the Pacific Islands.</p>
<p>Wakefield Health</p>		<p>Wakefield Health provides private surgical and medical health services in the Wellington and Hawkes Bay regions. The favourable demographics of New Zealand with an aging, active and aware population provides continuing growth opportunities in the private surgical hospital sector over the long term.</p>
